

A Special Message To Kids

The 21 Bin is a place to chuck the stuff you don't have to worry about while you enjoy your youth.

How Bin Magic Came About

I met a sufferer of Schizophrenia and suggested he put a recycled bin in his head to chuck unwanted thoughts into. The rest is history. Children, Parents, Musicians, Managers, Mentally Ill and Sales People now use Bin Magic.

Bins For

We can use the bins for different situations and here's a few examples. For Relationships, you might use bins such as Destiny, Choice, Cool, Courage, Faith, Time Out, Forgive, Hope, Lesson, Positive, Respect, Soul, Space, Yes Dear. For stuff you are not interested in, you might use bins like, Banishment, Back off, Bulldust, Chasm, Delete, Don't Need It, Dump, Erase, Go away, History, Not On, Off, Sin, Time Out, Past, Pause, Wait, Trash. For stuff that is really cool, you might use bins like Classic, Nice, U Beaut, Fab, Great, Heavenly, Unreal. For stuff that is Personal you might use bins like Love, Magic, Faith, Personal, Morals, Private, Keep it to Myself, My. And for stuff you know will come back around you might use bins like Recycled, Later, Boomerang. If someone is paranoid they might use a bin like the Normal, Not Me, No ones talking about me, Coincidence, This is not happening.

In A Bin Frame of Mind

Anything can apply here, if you need a bit of courage you can go into, or take a little from, the Courage Bin. When you know you have a choice You can go into, or take a little, from the Choice Bin. Special time with your partner may involve the Love Bin. The possibilities are endless. They're your bins.

Dedicated to Jack Trinity who inspired the challenge.
